

NNPHI and Public Health Institute Sessions at the APHA 142nd Annual Meeting and Expo

November 15-19, 2014, New Orleans, LA

The following summary highlights over 90 oral presentations, poster sessions, receptions, and other sessions of the [National Network of Public Health Institutes \(NNPHI\)](#) and its member institutes at the American Public Health Association (APHA) 2014 Conference. This reference list is intended as a resource for those attending APHA as well as NNPHI members and partner organizations interested in knowing more about the collective work of our growing NNPHI network. Each year, NNPHI staff compiles this listing through a query to its members and searching the [online APHA conference program](#). For the specific location of each session at the APHA 2014 conference, please reference the printed program onsite at the conference. For session abstracts and speaker information (including e-mail addresses), please click on the hyperlinked session titles below. Should you know of additional NNPHI member sessions at APHA 2014 that are not listed in this summary, please reach out to Chris Kinabrew (ckinabrew@nnphi.org) and NNPHI will note omissions in a future *Top 5* weekly network communication. Finally, should you make your way to the exhibit hall at APHA 2014, please visit NNPHI in **booth 1341**, the Public Health Institute in **booth 1504**, Georgia Health Policy Center in **booth 1330**, University of Wisconsin Population Health Institute in **booth 1239** and Louisiana Public Health Institute in **booth 1436**.

NNPHI Facilitated Sessions and Events

Monday, November 17, 2014

- 8:30 am-10:00 am **Session 3011.0: Ground Gained: Strategies for Sustaining Advances Made in Performance Improvement**
Oral Presentation: Future strategies to advance performance improvement
Member: NNPHI

Member: Institute for Public Health Innovation

Session 4389.0: Improving Pregnancy Outcomes

Poster Presentation: Lessons learned in adapting and implementing the Grady model of Inter-Pregnancy Care

Member: Louisiana Public Health Institute

4:30 pm-6:00 pm

Session 4399.0: The Future is Now: Developing Leadership in Tobacco Control

Oral Presentation: Passing Local Tobacco Policy through Youth-Adult Collaborations

Member: Health Resources in Action

Session 4400.0: An Asian Perspective on Alcohol and Injury—Results from the WHO/NIAAA Collaborative Emergency Room Study

Oral Presentation: Drinking Patterns and Alcohol-Related Injury in the Emergency Department in Three Asian Countries

Member: Public Health Institute

Session 4411.0: Health Equity and the Affordable Care Act: Potential, Progress, and Reality in Enrollment and Access to Care for Racially and Ethnically Diverse Communities

Film Presentation: Promising practices and lessons for reaching and enrolling racially and ethnically diverse communities in health insurance marketplaces; Applying a health equity report card to measure and monitor state marketplace progress in outreach and enrollment

Member: Texas Health Institute

Session 4412.0: Positive Action Approaches to Reducing Disparities and Building Equity in Nutrition

Oral Presentation: Central California Healthy Stores Initiative Addresses Health Inequity in Underserved Communities

Member: Public Health Institute

Session 4423.0: Improving the food environment in underserved areas

Oral Presentation: Food Access, consumption and shopping patterns in two low income neighborhoods in New Orleans

Member: Louisiana Public Health Institute

Tuesday, November 18, 2014 (Continued)

4:30 pm-6:00 pm
(Continued)

Session 4439.0: Sexual minority men's health (including gay men, bisexual men, and/or MSM/MSMW)

Oral Presentation: Do MSM have more partners or engage in riskier sex with men met through smartphone apps than with partners from other venues?

Member: Public Health Solutions (NY)

Wednesday, November 19, 2014

8:30 am-9:30 am

Session 5004.0: Using Technology for ATOD Interventions

Poster Presentation: Building Evaluation Capacity for Social Media Campaign Interventions Targeting Parental Monitoring Behaviors to Reduce Youth Alcohol Use

Member: MCD Public Health

8:30 am-10:00 am

Session 5037.0: Successful Collaborations and Collective Impact: Examples from Underserved Communities

Oral Presentation: Behavioral health access in Louisiana: Transforming community health systems for health equity

Member: Louisiana Public Health Institute

Session 5050.0: Beverages: Promoting Healthy Choices

Oral Presentation: Three Communities, Three Soda Tax Debates: What Can Advocates Learn From News Coverage of Recent Soda Tax Proposals?; Increasing Access to Healthier Beverages in Rural Counties in California

Member: Public Health Institute

Session 5054.0: GIS: Prevention, Health Surveillance and Public Policy

Oral Presentation: Using ArcGIS to create a measure of access to physical activity for the County Health Rankings

Member: University of Wisconsin Population Health Institute

Session 5075.0: Identifying and Addressing the Sexual and Reproductive Health Needs of Adolescents

Oral Presentation: A Gender and Rights-Based Sexual Health Promotion Program for Adolescents: Short-Term Outcomes of the Planned Parenthood Los Angeles Sexuality Education Initiative

Member: Public Health Institute

10:30 am-12:00 pm

Session 5091.0: Women's Health Across the Lifespan

Oral Presentation: Non-Prescribed Hormone Use and HIV Risk among Transgender Women

Member: Public Health Institute

Session 5100.0: CHW programs & healthography: how where you live affects your health and well-being

Oral Presentation: Community Health Workers Improving Childhood Asthma through Home Visiting Across New England

Member: Health Resources in Action

Wednesday, November 19, 2014 (Continued)

10:30 am-12:00 pm
(Continued)

Session 5103.0: Climate Change through the Lens of Health Equity and Emergency Response

Oral Presentation: Finding Common Ground: Advancing Health Equity and Building Community Resilience to Climate Change

Member: Texas Health Institute

Session 5108.0: APHA Film Festival U.S. Session 5

Film Presentation: ¡Poder!

Member: Public Health Institute

Session 5127.0: Successful care transitions for optimal patient outcomes

Oral Presentation: Crescent City Beacon Community: Innovations in chronic care management and transitions of care

Member: Louisiana Public Health Institute

Session 5142.0: Infectious disease prevention: Schools, policies and programs

Oral Presentation: Exploring adolescents' knowledge, behavior and understanding of the risks of tattooing

Member: Public Health Management Corporation

12:30 pm - 2:00 pm

Session 5156.0: Linking Survey Data with Environmental Data to Examine Place-Based Population Health

Oral Presentation: Community Health Big Data - Leveraging Partnerships and Data to Improve Community Health

Member: Louisiana Public Health Institute

Session 5170.0: Sharing public health functions and capabilities

Oral Presentation: Sharing Public Health Functions and Capabilities: Critical Issues

Member: Kansas Health Institute

Session 5179.0: Violence Prevention: Risk factors and interventions to prevent violence against adolescents and women

Oral Presentation: Friends, parents, and professionals: A qualitative study of who African American teens go to for help when experiencing dating violence

Member: Louisiana Public Health Institute
