Designing Opioid Misuse Prevention 2.0 Strategies

NNPHI's National Training and Technical Assistance Consortium (NTTCOA) invites you to an important pre-conference Design Lab ahead of the 2019 NNPHI Annual Conference. Come prepared to roll-up your sleeves and strengthen your state or community opioid misuse prevention strategies.

- Access coaching from our NTTCOA team of experts.
- Join a community of practice.
- Help us create and share knowledge to benefit all communities.

Leaders at the state, tribal, territorial, and community levels working on preventing opioid misuse are welcome. For more information visit www.nnphi.org or email convenings@nnphi.org.

Draft Agenda* at a Glance

***This is a draft agenda. All session descriptions, times, and speakers subject to change.**

Time	Session
7:30 AM – 6:00 PM	Registration
8:00 AM - 9:00 AM	Continental Breakfast
9:00 AM – 9:10 AM	Welcome Vincent Lafronza, NNPHI
9:10 AM- 9:30 AM	Spoken Word performance Grim Jackson

<p>9:30 AM – 10:45 AM</p>	<p>Opioid Misuse Prevention 2.0: Innovative Strategies for Prevention and Healing</p> <p>Speakers on this panel will provide a national overview of current opioid misuse prevention efforts, discuss how partnerships across sectors might contribute to a robust Community of Practice, and share specific and replicable examples of innovative projects and strategies for prevention and healing in our communities. Sectors and perspectives represented will include federal agencies, Native American and Alaskan Native communities, faith-based communities, and directly impacted people.</p>
<p>10:45 AM – 11:00 AM</p>	<p>Networking Break</p>
<p>11:00 AM - 11:30 AM</p>	<p>Prevention 2.0 Action Plan: Lessons Learned from Opioid Overdose Prevention in Unfunded States work</p> <p>Public health institute experts will share a summary of learnings from project work in four states focused on better understanding existing opioid overdose prevention efforts, barriers to effective multi-sector collaboration, and opportunities for identifying shared action priorities including implementation-ready best practice recommendations to foster collaboration across sectors.</p>
<p>11:30 AM – 12:45 PM</p>	<p>Prevention 2.0 T.A. Consultation Sessions: Round 1</p> <p>Technical Assistance Consultations sessions, led by public health institute staff and national partners, will feature application-specific, hands-on, interactive topics designed to inform attendees’ current opioid misuse prevention work. These 75-minute small group intensive sessions will give Design Lab attendees an opportunity to bring their own challenges and questions to the table and receive technical assistance from NNPHI’s network of experts. Attendees will be able to choose from 10-15 different topics to ensure a relevant and useful T.A. experience.</p>
<p>12:45 PM – 1:45 PM</p>	<p>Networking Lunch</p> <p>Lunch tables will be organized by discussion topics ranging from new and innovative projects in the opioid sector to specific concerns or challenges. Attendees are welcome to choose the table topic of their choice for lunchtime discussion and networking.</p>
<p>1:45 PM – 3:00 PM</p>	<p>Prevention 2.0 T.A. Consultation Sessions: Round 2</p> <p>During this second session attendees will be able to choose a different topic for their T.A. intensive session.</p>
<p>3:00 PM – 3:15 PM</p>	<p>Building a Community of Practice</p> <p>In this Town Hall setting all attendees are encouraged to participate in a Town Hall-style conversation about how to build a Community of Practice around Opioid Misuse Prevention.</p>
