

**To Apply:** Please provide responses to the prompts below and submit the completed template with your application for review. Thank you.

1. What [competencies](#) do you hope to enhance and/or build by participating in this training initiative?

- a. How will these competencies align with your agency goals or needs?

2. Please describe the multi-sector work in which you are either currently, planning to, or would like to engage in (e.g. State Aging Plan, State Health Improvement Plan, State Transit Plan). Be as descriptive as possible, including funding sources (e.g., Infrastructure Investment and Jobs Act, The American Rescue Plan Act, The CARES Act, etc.), scope of work, partnering agencies, and any other relevant information that will thoroughly describe your work.

a. What are some skills you are interested in developing through participation in this initiative that would assist you with your multi-sector work?

- b. Please indicate if you do not currently have an active partnership/collaboration with this multi-sector partner but you are interested in building one and will apply the skills learned in these trainings to do so.
